

LIBBY headphone amplifier

Pure Class A with power, 16-600 Ohm
headphone impedance selection.

Digital volume control

Build-In DAC, 24bit/192kHz, low jitter

Selectable source, bit length and
frequency control + mute

Lot's of connectivity : Line-In, USB, S/PDIF
coax + optical, AES-EBU

Build-in power supply.

RUBBY digital power Amp

Stereo digital power 50 watt/channel

Pure digital signal path, class D

Digital volume control

Build-in DAC, 24bit/192Hz, low jitter

Selectable source, bit length and
frequency control

Lot's of Connectivity: Line-In, USB,
S/PDIF coax + optical, AES-EBU

FIRESTONE
AUDIO

The New QAUDIO Series from Firestone Audio... Indeed Very "Cute Beyond".

We go Bigger, we go Better. Probably best buy for budget at this moment!

Firestone Audio: Advanced technology @ Extreme value for money. Try us.
